Gentlemen

Yours of the 30th to hand and Contents noted. I enclose you a full memo of prices desired from invoice now here. I quite agree with you in your remarks in your price list parties here know little or English Silver + Medals and I have them now by me and N Condition is as they state prices are very much Compared to your figures in the English high priced Coins Especially however, if you can go over memo and see if you can do anything with it I may state that we I am Valuing N dear goes through is mighty small You did not say what you had in war medals. Its late now to make any changes in this list. So will run chances.
